

GENERATION: CREATION

Maker Space every other Wednesday from 4:30 – 5:15 pm

9/7 – Button Maker – Learn how to operate the button maker and make 4 buttons of your own to keep!

9/21 – Ozobots – Create a skin for an Ozobot (you get to keep the skin!) and learn how to code using paper and markers to make an Ozobot navigate a maze.

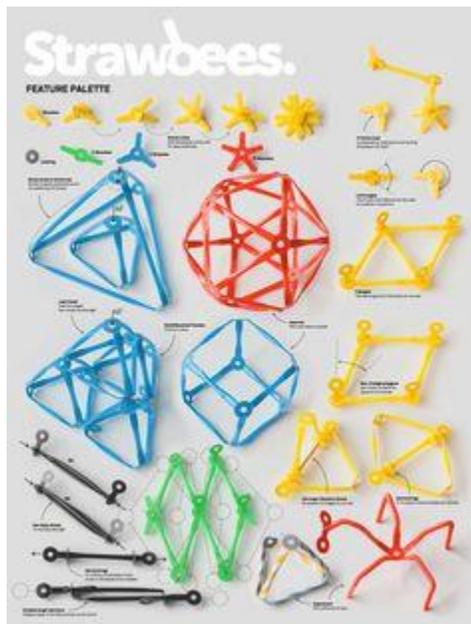

ozobot

GENERATION: CREATION

Maker Space every other Wednesday from 4:30 – 5:15 pm

10/5 – Strawbees – Build a structure that's strong enough to support an object using Strawbees.

Strawbees.®

10/19 – 3Doodlers – Use a 3Doodler to create a bookmark that you can keep!
