AMEND CHAPTER 22. BUSINESSES, BY ADDING A NEW ARTICLE XIV, SMOKING LOUNGES.

THE CITY OF OAK PARK ORDAINS:

SECTION 1. ORDINANCE - Chapter 22, Businesses, of the Code of Ordinances of the City of Oak Park is hereby amended by the addition of a new Article XIV, Smoking Lounges, which shall read as follows:

Sec. 22-527. -- Purpose.

On May 1, 2010, the State of Michigan implemented Public Act 188 of 2009 which bans tobacco smoking in all public places and worksites including, but not limited to, bars, restaurants, hospitals, hotels, shopping malls, and bowling alleys. The Oak Park City Council recognizes the harm caused by smoking tobacco and non-tobacco products (including second hand smoke), the state's mandate to move toward a totally smoke free environment, and the potential for negative impact on commercial development as a result of an area saturated with smoking lounges. Therefore, regulation and licensing of such establishments, and their employees, are necessary in the interest of the public welfare of the citizens of the city. This Article is designed to establish reasonable, objective, and uniform regulations to minimize the potential for adverse community impact relating to these establishments.

CALL TO THE COUNCIL:

Mayor McClellan requested Assistant City Manager/Director of Public Works Yee present an update on the MDOT Victoria Park Project.

Mr. Yee reported the project is in the final stages of completion with most of Church St. having been re-poured and most of the playground equipment having been installed. He noted additional pavement on Church St. will be replaced, with the parking lot and sidewalks to be completed possibly by the second week in November. Mr. Yee indicated the landscape plan will be started this year and completed in the spring along with any remaining restoration work.

Mayor McClellan shared comments from a resident commending Water Supervisor Steve Lukasik.

Mayor Pro Tem Burns thanked everyone for attending the meeting and wished them a pleasant evening.

Council Member Speech commended City staff for the quick completion of the Sidewalk Replacement Program, reminded residents to turn on their porch lights now that the sun is setting earlier, and asked residents to pay attention to street sweeping signs.

Council Member Radner echoed Mayor Pro Tem Burns' comments.

Council Member Rich thanked everyone for attending the meeting and wished them a great night.

MINUTES

This Special Meeting of the 36th Oak Park City Council was held in the Executive Conference Room of City Hall located at 14000 Oak Park Boulevard, Oak Park, MI 48237.

Notice of this Special Meeting was given in compliance with the provisions of Act 267 of the Public Acts of Michigan, 1976, as amended, the "Open Meetings Act".

The Special Meeting was called to order by Mayor McClellan at 5:30 P.M.

PRESENT: Mayor McClellan, Mayor Pro Tem Burns (*arrived 5:33 p.m.*), Council Member Radner, Council Member Rich (*arrived 5:36 p.m.*), Council Member Speech

ABSENT: None

ALSO PRESENT: City Manager Tungate, Assistant City Manager Yee, Deputy City Clerk Brown, Assistant to the City Manager McLain, City Attorney Duff, Community and Economic Development Director Marrone, City Planner Rulkowski, Director of Community Engagement DeSantis, Recreation Director Stasiak

SPECIAL BUSINESS:

(AGENDA ITEM #3A) Discuss amendments to various City ordinances

Council Member Radner requested that City Council wait to begin discussion until the arrival of Mayor Pro Tem Burns and Council Member Rich.

Regular Agenda items 13A & 13B. At 5:36 p.m. City Attorney Duff introduced the proposed ordinances regarding Smoking Lounges, and noted that multiple administrative meetings have been held on the issues with legal counsel, the City Manager and representatives of the Public Safety and Community and Economic Development departments.

City Planner Rulkowski confirmed the use will be restricted to the B2 district. Regarding Council Member Speech's concerns with neon signs, Planner Rulkowski noted neon is not specifically prohibited. Attorney Duff indicated sign legislation is being reviewed at the administrative level and the issue of neon may be added to that discussion. Council Member Speech noted she prefers that neon signage be turned off when a business is closed.

Attorney Duff noted Council has been provided with updated versions of the proposed ordinance which increases the amount of liability insurance required to \$500,000. The ordinance requires applicants to present a state issued exemption certificate as defined in the definitions section, a stipulation which does not impede constitutional rights.

Regular Agenda item 13C. Attorney Duff commented that the proposed ordinance regarding Dangerous Building is a one-line amendment that provides for a due process period if the property owner requests it. She indicated other communities have successfully implemented a similar provision.

Returning to the proposed ordinance effecting changes to the Zoning Ordinance in regards to Smoking Lounges, Council Member Radner questioned how the 500' measurement is applied. Attorney Duff agreed to insert language into the proposed ordinance clarifying the City will apply the State of Michigan's standard as defined in the regulated uses section.

Regular Agenda Item 15E. Council Member Speech questioned the removal from the agenda of the extension of the moratorium on accepting applications for Medical Marijuana Grow Facilities and Medical Marijuana Dispensaries. Attorney Duff reported Governor Snyder passed revisions to the medical marijuana law on September 28, and the City's ordinance is being reviewed in light of the State's changes. The City's current ordinance bans the facilities, so a moratorium is unnecessary.

(AGENDA ITEM #3B) City Manager Update on Special Projects

Lead Service Locations

Assistant City Manager/Director of Public Works Yee asked for Council's input on contacting the owners of approximately 90 properties identified as having private lead service lines and offering a program whereby the City would replace the lines and allow the owners to finance the replacement with a 10-year assessment. There are a few other communities offering replacement programs. City Manager Tungate noted the DEQ is going to be pushing communities to replace these lines, and the City is trying to be proactive.

Council Member Rich advocated waiting for directive from the State. Mayor Pro Tem Burns and Council Member Speech indicated a general willingness to move forward.

Council Member Rich requested a closed session meeting with the City Attorney to discuss the issue. City Attorney Duff suggested postponing further discussion at this time..

Water Tower Project/696 Overpass

City Manager Tungate presented three renderings of water tower paint schemes. He also presented the idea of adding the same leaf that is planned to be used on the 696 overpass for branding purposes.

Council Members were opposed to the rendering showing black bands above and below green lettering. In general Members felt the renderings were boring and were in favor of adding the leaf graphic.

Council Members generally did not like the 696 overpass design with multiple arches, and did like the "City of Oak Park" rendering with the leaf graphic.

City Manager Tungate agreed to bring more renderings of both projects to Council for consideration.

Mayor McClellan recessed the meeting at 6:33 p.m. and reconvened the meeting at 6:44 p.m.

City Newsletter

City Manager Tungate presented a proposal to replace the bi-monthly newsletter with a quarterly City magazine of at least 16 pages which would include Recreation, Senior and Library programming as well as general City content.

Council members were in general consensus to a one-year trial period for quarterly publication.

DISCUSSION:

Old Business

For our yearly event planning: Councilmember Speech shared how we must proceed with making requests from the City for our events and that we should develop partnerships with our other Commissions and that we do not need permission within to join with other Commissions. Councilmember Speech shared with us that we have a budget from the City and it is written in the City Ordinance. The budget is approved and passed for 3 years for all of the Oak Park Commissions. It is a good idea to participate as a group in an activity that is already active i.e. Summerfest.

The Ordinance also states that the EAC meets at 7:30p.m. on a monthly basis. That opened discussion to the group for whether or not we should change our meeting day and time. Suggestions were made by members in attendance to make it a bi-monthly meeting with a 6:00p.m. start time due to the attendance problem that we are facing as a group. Our visitor Larry Rood suggested that the meeting remain at the 7:00p.m. start time. All of the City Councilmembers serve on the Ethnic Advisory Commission (EAC) as Ex-officio Members.

New Business

Reverend James Striggles shared with us his views on how to involve the youth in our goal of forming a youth partnership. He has ideas that he will share with us on how to implement positive change. He has met with the Mayor of Oak Park and the Oak Park Police Dept. about his concern with the males at the Oak Park High School. He also shared with us a story about his grandson being pulled over by the police. He wants to implement more activities for males and teach them how to react and how to address a police officer when they are pulled over. Some other ideas are a Debate Team and Chess Team.

Commissioner Warner shared with us that she lives in the Stratford Apartment area and she needs help structuring something similar to what Rev. Striggles discussed and Council Member Speech thought that would be a good project for our EAC group to help solve.

Someone shared that the Ford Foundation is open for grants.

Call to Commissioners

Commissioner Chandra Sekhar invited us to her 106th Dance Student Graduation on August 27th at Groves High School at 3 p.m.

ADJOURNMENT:

The meeting was adjourned at 8:11 p.m.

PROPOSED ORDINANCE**SMOKING LOUNGES – SECOND READING**

PROPOSED ORDINANCE TO AMEND CHAPTER 22. BUSINESSES, BY ADDING A NEW ARTICLE XIV, SMOKING LOUNGES, TO LICENSE AND REGULATE SMOKING LOUNGES AND FACILITIES COMMONLY DESCRIBED AS TOBACCO RETAIL SPECIALTY SHOPS, CIGAR BARS, ZERO NICOTINE ESTABLISHMENTS, HOOKAH LOUNGES AND BARS, AND OTHER SMOKING FACILITIES BY ANY OTHER NAME FOR THE PUBLIC HEALTH, SAFETY AND WELFARE OF THE CITY OF OAK PARK AND PERSONS WITHIN ITS JURISDICTIONAL BOUNDARIES.

CITY OF OAK PARK, MICHIGAN

ORDINANCE NO. _____

AN ORDINANCE TO PROTECT THE PUBLIC HEALTH, SAFETY AND WELFARE OF THE CITY OF OAK PARK BY PROVIDING REQUIREMENTS AND STANDARDS GOVERNING SMOKING LOUNGES AND FACILITIES COMMONLY DESCRIBED AS TOBACCO RETAIL SPECIALTY SHOPS, CIGAR BARS, ZERO NICOTINE ESTABLISHMENTS, HOOKAH LOUNGES AND BARS, AND OTHER SMOKING FACILITIES BY ANY OTHER NAME

AMEND CHAPTER 22. BUSINESSES, BY ADDING A NEW ARTICLE XIV, SMOKING LOUNGES.

THE CITY OF OAK PARK ORDAINS:

SECTION 1. ORDINANCE - Chapter 22, Businesses, of the Code of Ordinances of the City of Oak Park is hereby amended by the addition of a new Article XIV, Smoking Lounges, which shall read as follows:

Sec. 22-527. -- Purpose.

On May 1, 2010, the State of Michigan implemented Public Act 188 of 2009 which bans tobacco smoking in all public places and worksites including, but not limited to, bars, restaurants, hospitals, hotels, shopping malls, and bowling alleys. The Oak Park City Council recognizes the harm caused by smoking tobacco and non-tobacco products (including second hand smoke), the state's mandate to move toward a totally smoke free environment, and the potential for negative impact on commercial development as a result of an area saturated with smoking lounges. Therefore, regulation and licensing of such establishments, and their employees, are necessary in the interest of the public welfare of the citizens of the city. This Article is designed to establish reasonable, objective, and uniform regulations to minimize the potential for adverse community impact relating to these establishments.

Sec. 22-528. -- Definitions.

The following definitions shall apply in the interpretation of this chapter:

Cigar shall mean any roll of tobacco weighing three (3) or more pounds per 1,000, which roll has a wrapper or cover consisting of tobacco.

- (3) Any offense enumerated in the City Code of Ordinances which substantially corresponds to one of the foregoing state offenses; or

- (4) Any offense in another jurisdiction that, had the predicate act(s) been committed in Michigan, would have constituted any of the foregoing offenses.

DEPARTMENT: Community & Economic Development, Planning Division

SUMMARY: At the October 10, 2016 meeting, the Planning Commission conducted a Public Hearing regarding proposed changes to the City of Oak Park Zoning Ordinance. The proposed text amendments would eliminate boarding houses and bed & breakfasts, prohibit parking and storage in open areas, and limit impervious areas in residential districts.

Boarding house. The term boarding house, rooming house, and lodging house are used synonymously in this ordinance. Parking Vehicles in Open Areas of Residential Rear Yards

It was recently determined that the current Zoning Ordinance language did not clearly state that “operable” machinery, equipment, vehicles, or other materials could not be stored in the open in residential rear yards. By removing the words regarding “discards or items in need of repair” the language would prevent the accumulation of machinery, equipment, vehicles in residential rear yards.

ARTICLE IV. - R-1 ONE-FAMILY DWELLING DISTRICTS

ARTICLE V. - R-2 TWO-FAMILY DWELLING DISTRICTS

ARTICLE VI. - RM-1 AND RM-2 MULTI-FAMILY RESIDENTIAL DISTRICTS

Sec. 403, 503, 603. - Required conditions.

A. No front yard space ~~in any R-1 district~~ shall be used for the storage or parking of vehicles or any other materials or equipment; provided vehicles which are currently licensed and in normal driving condition may be parked in a service driveway or garage.

B. Prohibited use for open areas: No machinery, equipment, vehicles, or other materials, ~~either discards or showing evidence of need for repair or maintenance~~ shall be stored or parked, or permitted to stand in any open area that is clearly visible from the street, public place or adjoining residential property.

Paving Your Entire Residential Yards

A resident recently inquired about the possibility of paving his entire rear yard. This action would potentially create a number of issues, not the least a problem with storm water runoff onto neighboring properties. The Zoning Ordinance currently has no specific provision that prevents complete paving of your yard. A method some communities have incorporated is a maximum percentage of allowable impervious surfaces. The Zoning Ordinance currently has a definition for Impervious Surface but no regulations accompanying it.

“Impervious surface. Any material that substantially reduces or prevents the infiltration of stormwater into previously undeveloped land. Impervious surface shall include a surface that has been compacted or covered with a layer of material so that it is highly resistant to infiltration by water. It includes surfaces such as compacted sand, limerock, or clay, as well as most conventionally surfaced streets, roofs, sidewalks, parking lots, and other similar structures.”

After careful analysis, which included input from the Engineering and Building Divisions and reviewing other community’s regulations, we believe it would be reasonable to limit impervious surfaces to 70% of the lot area.

ARTICLE IV. - R-1 ONE-FAMILY DWELLING DISTRICTS

ARTICLE V. - R-2 TWO-FAMILY DWELLING DISTRICTS

C. The total area of all impervious surfaces shall not exceed 70% of the lot area.

Buildings vs. Structures

To more distinctly define the difference between Buildings and Structures, we propose to make a small but important change to the definition of a Building.

*Building. Any **permanent** structure, ~~either temporary or permanent~~, having a roof supported by columns, or walls, and intended for the shelter, or enclosure of persons, animals, or property of any kind.*

The current definition for Structure will remain unchanged.

Structure. Any constructed or erected material, the use of which requires locations on the ground or attachment to something having location on the ground, including, but not limited to, buildings, towers, sheds, and signs, but excepting walks, drives, pavements, fences, and similar access or circulation facilities.

If the proposed Zoning Ordinance text amendments are acceptable to the Planning Commission the Department of Community & Economic Development recommends approving the attached proposed ordinance.

DEPARTMENT OF COMMUNITY & ECONOMIC DEVELOPMENT

MEMORANDUM

TO: Planning Commission members DATE: October 5, 2016
FROM: Kevin Rulkowski, AICP, City Planner FILE: Planning/PioneerHealthCare
SUBJECT: Proposed rezoning of 13200 Oak Park Boulevard, Pioneer Health Care Management

The Planning Division has received a request from Pioneer Health Care Management, to rezone the property at 13200 Oak Park Boulevard, from R-1, One Family Dwelling District to RM-1, Low-Rise Multi-Family Residential District.

A Public Hearing was scheduled for the October meeting to hear public comments on the rezoning request by Pioneer Health Care Management for 13200 Oak Park Boulevard, from R-1, One-Family Dwelling District to RM-1, Multi-Family Residential District. The proposed rezoning is the property identified as Property Identification # 25-29-301-015 on the attached map. The property is currently owned by the Chaldean Catholic Church of USA. The Pioneer Health Care Management proposal would demolish an existing building on the site and replace it with a one story, 66 bed Skilled Nursing and Rehabilitation Center. Enclosed is a preliminary site plan to illustrate the proposal. This preliminary site plan is not included as part of a formal Site Plan Review process and only the rezoning request is being considered at this time.

The following considerations were noted during the review of this rezoning request:

1. The Zoning Ordinance, Section 600, Intent, of the RM-1, Multi-Family Residential District states "The RM-1 low-rise multi-family residential districts and the RM-2 mid-rise multi-family districts are intended to provide areas for multiple family dwellings and related uses, which will generally serve as zones of transition from lower density residential districts to more intense use districts, while providing appropriate housing alternatives in a properly planned setting." Currently there are no skilled nursing facilities in Oak Park providing specialized care in a residential setting.
2. The City's Master Plan states "As the population ages, new housing opportunities are needed to keep long-term residents in Oak Park after retirement".

3. The City's Strategic Economic Development Plan (2014) states "a diverse housing stock will increase the attractiveness of Oak Park to a broader range of prospective residents, especially a greater mix of multi-family options that appeal to the two largest demographic groups in the country: Millennials and the aging Baby Boomers. It also encourages long-term investment in the city by providing the opportunity to transition into housing that matches their life-stage without having to leave the community".
4. The proposed rezoning is for property 4.5 acres in size.
5. All the adjacent parcels surrounding the subject parcel are zoned for single family residential use. The subject property and the property to the west have been used as Places of Worship for many years. At the nearby intersection of Coolidge Highway and Oak Park Boulevard are the City of Oak Park municipal campus and the Oak Park High School.
6. The RM-1, Multi-Family Residential District permits, as a Special Land Use, "convalescent or rest homes".
7. The setback requirements for the RM-1, Multi-Family Residential District and R-1, One-Family Dwelling District are very similar in their requirements. Both districts have 25 foot setbacks from the front property lines.
8. The proposed zoning change should have no significant impact to the traffic conditions in the area.
9. The City of Oak Park Master Plan identifies this area as a quasi-public land use. A skilled nursing care facility is consistent with this classification.
10. Currently there is a partially reconstructed community meeting facility on the property that never was never operational.
11. The proposed zoning change would be consistent with the intent of the Master Plan to create more diversification in its housing inventory.
12. The proposed zoning change would be consistent and compatible with existing land uses in the area.

The proposed zoning district change is appropriate for this location and is consistent and compatible with existing land uses in the area. Both the Oak Park Master Plan and the Strategic Economic Development Plan identify the need for greater housing diversification which would include residential-type uses such as skilled nursing facilities.

The proposed zoning change would be consistent with the intent of the Master Plan by creating new housing opportunities and greater diversification of the available housing stock. Based on the above considerations, the Planning Division recommends rezoning the subject property, 13200 Oak Park Boulevard (Property Identification # 25-29-301-015), from R-1, One-Family Dwelling District to RM-1, Multi-Family Residential District.

BUSINESS OF THE CITY COUNCIL, OAK PARK, MICHIGAN

AGENDA OF: October 17, 2016

AGENDA #

SUBJECT: Request authorization to enter into an inter-governmental agreement with the City of Ferndale to utilize their Southwest Storage Yard as a transfer station for leaf pick up.

DEPARTMENT: Public Works

SUMMARY: The Department of Public Works is requesting authorization to enter into an inter-governmental agreement with the City of Ferndale to utilize their Southwest Storage Yard as a transfer station for leaf pick up. The advantages of utilizing the Ferndale storage yard include less activity, storage, and "smell" at the DPW yard, more convenient drop off due to the larger yard, and significantly less leaf loading costs since they have a ramp and large loader bucket capable of loading leaves directly onto SOCRRA contracted trucks.

FINANCIAL STATEMENT: The agreement calls for a cost to the City of Oak Park of \$3,589 for usage of the yard and actual labor and equipment costs estimated at \$10,500.

RECOMMENDED ACTION: It is recommended that City Council authorize the Department of Public Works to enter into an inter-governmental agreement with the City of Ferndale to utilize their storage yard for leaf pick up upon final review from the City Attorney's office.

**AGREEMENT BETWEEN THE CITY OF OAK PARK AND THE CITY OF
FERNDALE REGARDING USE OF SOUTHWEST STORAGE AREA**

This Agreement (the "Agreement") is made between the City of Oak Park ("Oak Park"), a Michigan Municipal Corporation with an address at 13600 Oak Park Boulevard, Oak Park, Michigan 48237 and the City of Ferndale ("Ferndale") a Michigan Municipal Corporation with an address at 300 E. Nine Mile Road, Ferndale, Michigan 48220.

Pursuant to Article VII, § 28 of the Michigan Constitution of 1963, Ferndale and Oak Park enter into this Agreement for the purpose of delineating the obligations and responsibilities regarding the use by Oak Park of Ferndale's Southwest Storage Yard as a transfer site for leaves.

This Agreement, which will provide for efficient and coordinated collection of leaves, is determined to be in the best interests of both Oak Park and Ferndale.

NOW THEREFORE, in consideration of the mutual promises, obligations, representations and assurances set forth in this Agreement, the parties agree to the following:

1. Ferndale shall allow Oak Park to utilize its southwest storage yard as a transfer site for leaves from October 1, 2016, through December 16, 2016. This Agreement may be extended for additional years upon terms and conditions agreed to by the parties. Any such delivery of leaves by Oak Park to the Southwest Storage Yard shall be through the west gate entrance of the storage yard, with any such trucks using Republic Street in Oak Park.
2. Oak Park shall pay Ferndale for using the Southwest Storage Yard as a transfer site for leaves the amount of \$3,589 within fourteen (14) days from the execution of this Agreement. Additionally, Oak Park shall pay Ferndale \$10,500, the amount that represents the estimated proportionate tonnage between the two communities for employees and equipment costs associated with loading the leaves into the transfer trucks at the Southwest Storage Yard as described in the attached 2015 leaf disposal schedule, which is attached as Exhibit 1 and incorporated by reference into this Agreement. This \$10,500 shall also be paid by Oak Park to Ferndale within fourteen (14) days from the execution of this Agreement. In the event that Oak Park employees work at the Southwest Storage Yard for the loading of leaves to be transferred from the Southwest Storage Yard or in the event that the actual hours for labor and equipment are less than the estimated hours for Oak Park as set forth in Exhibit 1, the \$10,500 payment to Ferndale shall be adjusted on a proportionate basis based on Exhibit 1 and a reimbursement to Oak Park shall be made within thirty (30) days from the date the adjustment is calculated and verified by Ferndale's DPW Director. In the event that the actual hours for labor and equipment are more than the estimated hours for Oak Park as set forth in Exhibit 1, Oak Park shall pay an additional amount to Ferndale adjusted on a proportionate basis based on Exhibit 1 within thirty (30) days from the date the adjustment is calculated and verified by Ferndale's DPW Director. In the event that Oak Park employees work at the Southwest Storage Yard as discussed above, they shall utilize Oak Park equipment only.

3. This Agreement does not, and is not intended to, impair, divest, delegate, or contravene any constitutional, statutory, and/or other legal right, privilege, power, obligation, duty, or immunity of Oak Park or Ferndale.
4. Absent a written waiver, no act, failure or delay by either Oak Park or Ferndale to pursue or enforce any rights or remedies under this Agreement shall constitute a waiver of those rights regard to any existing or subsequent breach of this Agreement. No waiver of any term, condition, or provision of this Agreement, whether by conduct or otherwise, in one or more instances, shall be deemed or construed as a continuing waiver of any term, condition, or provision of this Agreement. No waiver by either Oak Park or Ferndale shall subsequently effect its right to require strict performance of this Agreement.
5. Nothing contained herein shall be construed to make the employees of either party the employees of the other or to render either party liable for such other party's debts or obligations.
6. If a court of competent jurisdiction finds a term, or condition, of this Agreement to be illegal or invalid, then the term, or condition, shall be deemed severed from this Agreement. All other terms, condition, and provisions of this Agreement shall remain in full force.
7. The section and subsection numbers, captions, and any index to such sections and subsections contained in this Agreement are intended for the convenience of the reader and are not intended to have any substantive meaning. The numbers, captions and indexes shall not be interpreted or be considered as part of this Agreement. Any use of the singular or plural number, any reference to the male, female, or neuter genders, and any possessive or nonpossessive use in this Agreement shall be deemed the appropriate plurality, gender or possession as the context requires.
8. Notices given under this Agreement shall be in writing and shall be personally delivered, sent by express delivery service, certified mail, or first class U.S. mail postage prepaid, and addressed to the clerk of the respective party. Notice will be deemed given on the date when one of the following first occur: (1) the date of actual receipt; (2) the next business day when notice is sent express delivery services or personal delivery; or (3) three days after mailing first class or certified mail.
9. This Agreement shall be governed, interpreted, and enforced by the laws of the State of Michigan. Except as otherwise required by law or court rule, any action brought to enforce, interpret, or decide any claim arising under or related to this Agreement shall be brought in the 6th Judicial Circuit Court of the State of Michigan and venue is acknowledged as proper in the court set forth above.
10. Any modifications, amendments, recessions, waivers, or releases to this Agreement must be in writing and agreed to by both Oak Park and Ferndale. Unless otherwise agreed, the modification, amendment, recession, waiver, or release shall be signed by the same persons who signed this Agreement or other persons as authorized by the Oak Park and Ferndale governing bodies.

11. This Agreement represents the entire Agreement and understanding between Oak Park and Ferndale. This Agreement shall supersede all other oral or written Agreements between Oak Park and Ferndale respecting this matter. The language of this Agreement shall be construed as a whole according to its fair meaning, and shall not be construed strictly for or against any party.

12. This Agreement may be executed in two or more counter parts, each of which shall be deemed an original and all of which together shall constitute one in the same instrument. The effective date shall be the date the last party has executed the Agreement.
