City Charter to develop city-wide policy.

Each council member is elected to a four-year term, with the exception of the mayor, which is a two-year position. Council members are elected by the citizens of Oak Park to represent the entire community; and each member has an equal voice and vote.

The State of Michigan’s 1976 Open Meetings Act requires that the public is appropriately notified about and welcome to attend Oak Park City Council meetings.

### THE CITY OF OAK PARK

operates under a council-manager form of government. Council, as the legislative body, is comprised of five members – the mayor, mayor pro tem, and three members. City Council as a whole is empowered by the City Charter to develop city-wide policy.

### Government in Action

The City Council convenes every first and third Monday of the month beginning at 7 p.m. When a meeting day falls on a holiday, the Council meeting will be postponed until the following business day. Council occasionally holds study sessions prior to the regular meeting in order to review issues in-depth. With a few exceptions as allowed by law, all Council meetings are open to the public. All meeting dates and times are posted at least 72 hours in advance on the City’s website and in the lobby of City Hall.

FAQ - GENERAL

How is fiscal policy set in Oak Park?
• The City Manager, with City Council approval, sets fiscal policy. The Annual Budget is available for public review in the Oak Park Library, the City Clerk’s Office, the Finance Department in City Hall, and online on the City’s website.

How can I do business with the City?
• Current contracts up for bid are posted on the Michigan Inter-governmental Trade Network (www.mitn.info).

FAQ - ASSESSING

What do the terms “assessed value” and “taxable value” mean?
• Assessed Value is generally one-half of the market value of the property, as determined by a two-year sales study. The term “state equalized value” or SEV simply means the Assessed Value as confirmed by the State of Michigan. Taxable Value is the amount on which your property taxes are levied. Taxable Value is capped and can only change by the rate of inflation each year (or 5%, whichever is less), unless a property has had a Transfer of Ownership in the prior year or had physical changes to the property.

Why are my taxes higher than my neighbor’s taxes when our houses seem so similar?
• Taxes are based on taxable value, not assessed value.

What is a “Homestead Exemption”?
• This is an exemption from paying 18 mills in school operating tax. For eligibility, you must own and occupy the home and have a valid Principal Residence Exemption (PRE) on file with the Assessor’s Office.

What should I do with the Notice of Assessment I receive by mail each March?
Review it. Contact the Assessor with any questions. Maintain the notice in preparation for your tax returns next year.

**FAQ – WATER**

*How can I pay my water bill?*
- Online payments using a credit card can be made 24 hours-a-day on the City’s website at www.oakparkmi.gov. Credit card payments are accepted online and at the Treasury counter in City Hall. Tax bills may also be paid with cash, check, or money order delivered by mail, in-person at the Treasury counter, or by using the drop box outside City Hall, located at 14000 Oak Park Blvd., Oak Park, MI. ---

**HOW DO I CALCULATE MY WATER BILL?**

Water bills are determined by the amount of water that passes through your water meter multiplied by the current water and sewer rates. For example, if you receive a bill and in the “used” column you are billed for 25 units of water, we would calculate your water bill as follows:

Water (WT) = 25 x 4.17 = $104.25
Sewer (SW) = 25 x 9.58 = $239.50
Typical Meter Charge = $4.75
Garbage/Rubbish Charge = $38.72
Total = $387.22

There are several ways residents can work to reduce their water bills:
- Check leak detectors often
- Fix running toilets and leaky faucets
- Instead of waiting for your water bill every three months, try budgeting for it monthly and pre-paying it monthly
- Shorten shower times, turn off water while brushing teeth, and find other ways to reduce water usage

Please contact the City Clerk’s office at (248) 691-7544.

Public Safety cross-trains each highly-qualified officer to serve effectively in multiple roles as Police Officer, Fire Fighter and Medical First Responder. Oak Park was one of the first communities in the state of Michigan to initiate this comprehensive Public Safety program.
Where do I get a gun permit?
Changes in the State of Michigan gun laws now allow a citizen to purchase a handgun directly from a licensed gun dealer (i.e. gun shop). Those wishing to purchase a handgun from a private seller must still obtain a license to purchase a permit if they do not possess a Concealed Pistol License. Government-issued identification and one other form of identification is required at the time of application. Please contact the Records Bureau for the fee schedule.

Where can I get an alarm permit and how much does it cost?
Alarm permits may be obtained from the Public Safety Records Bureau for a one-time $20 fee. Applications for an alarm permit are also available on the city website at www.ci.oak-park.mi.us.

Can I park a large truck in front of my house? Is there somewhere else I can park it?
City ordinances prohibit the parking of commercial vehicles on the public roadway in residential areas. Restrictions also apply in some instances on private property. Please review the city ordinance (available online). Parking of commercial vehicles, by permit only, is allowed in the municipal parking lot off of Eleven Mile Rd, between Tulare and Gardens Streets. Please contact the Records Bureau for permit specifics.

Where do I obtain a bicycle license?
Bike licenses are available at the Public Safety Records Bureau for a $2.00 fee.

Where can I obtain an animal license and how much do they cost?
Animal licenses (dog and cat) are available for purchase at the Public Safety Records Bureau. The application for an animal license is also available on the city web-site (www.oakparkmi.gov). Fees vary depending on whether the animal is spayed/neutered and if a one- or three-year license is being sought (dependent on the rabies vaccination certificate). Applicants will need to present a Rabies Certificate from the vet, along with proof of neutering, if applicable.

**ONE YEAR Animal License**

- Spayed / Neutered: $7.00
- Non-Spayed / Neutered: $16.00

**THREE YEAR Animal License**

- Spayed / Neutered: $15.00
- Non-Spayed / Neutered: $30.00

Except for licenses for newly acquired animals, most animal owners should purchase their licenses between October 1 and December 31 for the following calendar year in order to avoid late fees.
