- If the application is not complete or requested documentation is not included, the Board of Review will deny the exemption. All pages included with this application must be returned when the application is submitted for review.
- Failure to fill out all areas of the application, including "N/A" in areas not applicable to the applicant or signing the application.
- Failure to include State and Federal Income taxes or property tax credit returns for current or one preceding year for all persons residing in the home. ***Please note that the property tax credit returns are required to be filed with this application. Property tax credit returns (such as Michigan 1040CR) can still be filed with the State of Michigan even if the applicant does not file income taxes.***
- Failure to include complete banking/investment account, financial asset accounts, mobile payment service accounts and mortgage statements for all persons residing in the home. All pages must be submitted.
