## 2026 GUIDELINES AND INSTRUCTIONS FOR POVERTY EXEMPTION

**PLEASE MAKE COPIES**

**ANY DOCUMENTS SUBMITTED TO THE BOARD WILL NOT BE RETURNED.**

- The Poverty exemption is meant to be a temporary form of assistance. If granted an exemption, it is for the current year only. If your situation warrants an exemption in years following, a new application must be submitted for review. Beginning in 2024, the Board of Review can only approve an exemption for a prior year IF the prior year did not have an application filed or denied.
- If petitioner meets all requirements, the Board of Review will grant a 50% reduction in the 2026 property taxes.
- Per, MCL 211.7u (3), the application for consideration must be received by the Assessor's Office at least one day prior to the last session of the Board of Review. Board of Review dates are posted annually and may also be found at [www.oakparkmi.gov](http://www.oakparkmi.gov) or by calling (248) 691-7550. This application can be made by mail, if received one day prior to the last session of the Board of Review. (postmarks not accepted)
- Per MCL 211.7u(7), a person who files a claim for Poverty exemption IS NOT prohibited from also appealing the assessment on the property to the Board of Review in the same year.
- All information submitted is subject to verification by the Board of Review or the Assessor's Office.

Applicants are strongly encouraged to attend the Board of Review, but it is not required. Applications will be reviewed by the City of Oak Park Board of Review without the applicant being present. However, if the Board of Review requires more information regarding the application, applicants may wish to be present as it could result in a denial of the application. All meetings are at City Hall located at 14000 Oak Park Blvd, Oak Park, MI 48237 in the West Conference room.

The 2025 signed tax returns must be submitted with this application. If any person in the household is not required to file federal or state tax returns, the included affidavit, form 4988, must be completed by each person that does not file taxes.

- Proof of current income for all working occupants living at property (pay stubs, unemployment decision, etc.)
- Proof of income/assets from Veterans Administration.
- Twelve months of consecutive statements (January 2025 – December 2025) for all bank or credit union accounts, this includes PayPal, Venmo or any other mobile payment service. The statements submitted must be complete with no missing pages and submitted for each person residing in the home.
- 2025 end of year statement for all investments, IRAs, CDs, 401ks, money market, annuities, etc.

- Family/Friend/help agency financial assistance documentation.

## Common Reasons for Denial of Poverty Exemption Application

Below are common reasons (but not an exhaustive list) of why a claim for Poverty Exemption is denied:

- If the application is not complete, requested documentation is not included, appears fraudulent or misleading, the Board of Review can deny the exemption. All pages included with this application must be returned when the application is submitted for review.
- Failure to fill out all areas of the application, including "N/A" in areas not applicable to the applicant or signing the application.
- Failure to include State and Federal Income taxes or property tax credit returns for current or one preceding year for all persons residing in the home. ***Please note that the property tax credit returns are required to be filed with this application. Property tax credit returns (such as Michigan 1040CR) can still be filed with the State of Michigan even if the applicant does not file income taxes.***
- Failure to include complete banking/investment account, financial asset accounts, mobile payment service accounts and mortgage statements for all persons residing in the home. All pages must be submitted.
- Any attempt to hide and/or shift income and/or assets to another person, business or corporation shall be grounds for immediate denial.
- Any ownership interest in any real estate other than the primary residence being considered for exemption will be cause for denial.

*If your household income is above the City of Oak Park Adopted Poverty Level your application will be denied without any further review. In addition to meeting the income level requirements as noted above, applicants must also meet requirements based on asset level. Meeting income levels does not guarantee approval of the poverty exemption. Income and assets are reviewed by the Board of Review in the decision-making process.*

The following asset test shall apply to all applications for poverty exemption:

The maximum total allowed liquid assets, specifically amounts in banking/investment accounts may not exceed the amount of projected 2026 taxes PLUS 50% for the entire household. Other assets may not exceed the qualifying amount for poverty exemption.

**According to the US Census Bureau, "income" includes:**

- Money, wages, and salaries before any deductions
- Net receipts from non-farm self-employment. (These are receipts from a person's own business, professional enterprise, or partnership, after deductions for business expenses.)
- Net receipts from farm self-employment. (The same provisions as above for self-employment.)
- Regular payments from social security, railroad retirement, unemployment, worker's compensation, veteran's payments, and public assistance.
- Alimony, child support, and military family allotments.
- Private pensions, governmental pensions, and regular insurance or annuity payments.
- College or university scholarships, grants, fellowships, and assistantships.
- Dividends, interest, net rental income, net royalties, periodic receipts from estates or trusts, and net gambling or lottery winnings.
