Rain Barrel Residential Stormwater Credit Application

Application fee: \$30

The City of Oak Park offers stormwater credits to single family residential households receiving Oak Park utility bills with qualifying and approved rain gardens and/or rain barrels. Please fill out the following information for billing credit consideration.

Complete and return this form to:

City of Oak Park
14300 Oak Park Blvd.
Oak Park, MI 48237

Or email to: building@oakparkmi.gov

1. Property Information

Property address: _____

Property owner name(s): _____

Tax parcel identification: _____ If not known, leave blank

City utility account number: _____

Mailing address: _____

Phone number: _____

E-mail address: _____

2. Rain Barrel Credit

All fields in the table below must be completed if the applicant is applying for a rain barrel credit. At least 50 percent of the runoff from the roof of the primary structure must be absorbed.

Questions can be directed to the Engineering Department at building@oakparkmi.gov or (248) 691-7580.

Rain Barrel Credit Summary

Rain barrel size _____ gallons

Number of rain barrels _____

Number of downspouts draining to barrels _____

Roof area of primary structure draining to barrels _____ percent

(Continued)

3. Required Documentation

Applications for stormwater credits shall be submitted with the following documentation and fees. Incomplete applications will be returned and not considered for review until all required information is submitted. Confirm that the items are included by checking them off below.

_____ Completed application (pages 1 and 2)
 _____ Application fee of \$30

If applying for a rain barrel credit, the following documentation must be included:

1. Site plan showing the location and size of rain barrel(s) and the contributing roof area
2. Photos of rain barrel(s) installed at the property
3. Maintenance plan

If applying for a rain garden credit, the following documentation must be included:

1. Site plan showing the location of the rain garden at least 15 feet from the building, the size of the rain garden and the contributing roof area
2. Photos of rain garden installed at the property
3. Maintenance plan

Upon successful completion of this application and payment of fee, the city will schedule an inspection to verify the accuracy of your application. You can expect full application approval approximately one business week after passing an inspection.

By signing below, I certify that all information is true and correct to the best of my knowledge. I also give permission for city staff to enter my property to verify the information provided herein.
